FOURTH ANNUAL JUNIOR GOLF EVENT NETS OVER \$11,000
Attracts Young Golfers to Annual Event

2007 The JR Scramble – JR Golfers Playing Golf for JR Golfers™

Alpharetta, GA – \$11,000 might not seem like a big win to Tiger Woods or Annika Sorenstam, but to the young golfers at the 2007 JR Scramble, it is quite a take. Boys & girls, ages 10-17, participated at Country Club of the South in Alpharetta, GA in June 2007.

The 1st Place team finished 9 under par, with awards and prizes for the top 5 teams. Additionally, four awards were presented for closest to the hole on a Par 3 and two awards for the straightest drives.

The JR golfers enjoyed playing in a best ball scramble with an ABCD Team format, with awards and prizes, and most importantly, sportsmanship and camaraderie.

During the past four years we've raised over \$91,000 in donations, with \$40,000 of that in cash! The Event is seen as a 'regular' event by Georgia JR Golfers. Some players drive over 100 miles to play, with some out-of-state attendees.
